

Calculus AB and BC

Welcome to Calculus! I am looking forward to having a great year with you. This course is a very rigorous and difficult course. It is designed to prepare you for the AP test given in May. Many problems are difficult and require a deep understanding of the material. Enjoy the challenge and good luck.

1. Materials:

- a. Binder with paper and graph paper
- b. Pencil or pen
- c. Charged Chromebook with Stylus (<https://www.amazon.com/Stylus-Touch-Screens-Sensitivity-Replacement/dp/B087X133RZ>)

2. Grading:

- a. Tests: one after each unit in general 3-4 per quarter
- b. Quizzes: Unannounced and announced
- c. Assignment to be completed on-line.
- d. Midterm (?% of your final grade) and Final Exam (?% of your final Grade)

3. Classroom Rules:

- a. Be on time, seated, and ready to work at the sound of the bell.
- b. I should not have to ask you to take out your homework or begin a "Do Now".
- c. Do not leave your seat (throw out garbage, go to the bathroom, get a drink, sharpen pencil) without first asking permission.
- d. Do not touch anything in the classroom without asking permission.
- e. Raise your hand and wait to be called on prior to asking or answering any questions.
- f. Use appropriate language and behave properly at all times.
- g. Respect your classmates at all times.
- h. Cell phones are **ONLY** to be used for instructional purposes.
- i. Stay positive and ALWAYS try your best.

4. Attendance: In addition to Sachem's attendance policy:

- a. Students who are absent are responsible for ALL missed notes and assignments.
- b. If you are absent on a test day, you will be required to take the test upon your return to school. No exceptions.
- c. If you cut the day of a test it is an automatic zero.

5. Contact Information:

- a. Email: rregan@sachem.edu
- b. Phone: 716-8200

Please take this home tonight or read through it with your parents and return it signed to me tomorrow.
